This is Jessica. Jessica is one of the Children's librarians at my library.

My Children's Librarians plan library programs and develop the library collection. The librarians can help if I have problems at the library.

This is how I find a book at my library.

I can look for books in my library's computerized catalog. I can search by title or author or subject. I can do this on computers at the library or from home.

This is a library card.

Having a library card at my library lets me check out things like books, DVDs, CDs, movies and music. There are rules about getting and using a library card. A librarian can provide me with more information about getting and using my library card.
